

## Introducing Twiage Case Invite

Case Invite provides a simple and reliable way to share cases to hospital staff directly in the Twiage STAT App. Send invites and other messages through Twiage's direct messaging and instantly access shared cases on the go! With Twiage Case Invite, specialists can quickly review cases on their mobile device or desktop.

## Conveniently Search For Users

With Case Invite, you can select a registered user's name from the drop-down menu, or use the search bar to find individuals and share your case.

## Receive Instant Notification Alerts

Case Invite alerts both users with an in-app push notification. Update your phone number in the Twiage STAT App to receive text message alerts.
